Eckard's Principles of Civil Procedure in the Magistrates' Courts 6e

Broodryk, T

Eckard's Principles of Civil Procedure in the Magistrates' Courts considers the law of civil procedure in the magistrates' courts. The work provides a comprehensive and up-to-date overview and analysis of civil procedural law in the magistrates' courts and includes numerous illustrative examples of pleadings and notices as well as various prescribed forms relevant to proceedings.

The content of this 6th edition is presented in well-organised chapters, which highlight features of practical importance to scholars and the legal profession. It provides extensive coverage of complex issues and new material.

Extinctive Prescription 2e

Loubser, M

This second edition of *Extinctive Prescription* aims to reflect the law as developed by judgments and statutory changes over a period of more than twenty years since the publication of the first edition.

The principles of extinctive prescription have been scrutinised by the courts in numerous reported cases over this period, including prominent judgments of the Constitutional Court dealing with the justification for extinctive prescription, the concept of 'debt', and the knowledge requirement for prescription to begin to run. This edition also examines the principles governing the co-existence of the 1969 Prescription Act and prescription or time limitation provisions in other statutes, with reference to certain prominent examples.

Herbstein and Van Winsen: The Civil Practice of the High Courts & Supreme Court of Appeal of South Africa 5e

First published in 1954, this work has become the standard source of reference for every lawyer practising in the High Courts and every scholar interested in the law of civil procedure. The fifth edition is comprehensively revised to incorporate legislation brought into operation and judgments handed down since publication of the previous edition in 1997, most notably those flowing from the 1996 Constitution. This work offers a comprehensive discussion and analysis of civil proceedings in the high courts of South Africa, arranged by topic, from jurisdiction to appeal and review.

Jones & Buckle: The Civil Practice of the Magistrates' Courts in South Africa 10e

Van Loggerenberg, DE

Jones & Buckle has remained the definitive work on civil practice in the lower courts in South Africa for almost a century.

The tenth edition of this work, with the assurance of continuing biannual updates, will meet the profession's need for current and authoritative commentary in the field of civil practice in the lower courts. Detailed indexes facilitate research.

REVIEW ON PREVIOUS EDITION:

'To practise law in the magistrates' courts without *Jones & Buckle* is like an attempt to study theology without the Bible.' SA Law Journal, reviewing the 8th edition, 1991, 'South Africa's leading text on procedure in the lower courts, far ahead of all its competitors and, indeed, the only work in its field that is absolutely indispensable to the civil-litigation practitioner.'

eBook

Legal Drafting: Civil Proceedings 2e

Van Blerk, P

Legal Drafting: Civil Proceedings has been written to bridge the gap between the academic study of law and its practical application in so far as the preparation of court documents is concerned. Drawing on his experience in coaching pupils at the Bar, the author explains elementary matters and poses useful reminders to more experienced practitioners.

The second edition of *Legal Drafting: Civil Proceedings* has been updated to address changes in the law. It now includes a section on the preparation of documents for arbitrations as well as an extended chapter on the all-important task of preparing heads of argument.

Loose-leaf

Pollak: The South African Law of Jurisdiction 3e

Van Loggerenberg, DE

Pollak on Jurisdiction has remained the most trusted, authoritative work on the subject since 1937, often being referred to with approval by South African courts and scholars. The third edition of this work is the first comprehensive discussion of the jurisdiction of the South African superior courts since the advent of the Constitution of the Republic of South Africa, 1996. The general principles of jurisdiction, objection to jurisdiction and the effect of judgment where the court lacks jurisdiction are also discussed.

Precedents for Applications in Civil Proceedings 1e

Van Blerk, P

Precedents for Applications in Civil Proceedings has been written to assist all, from aspirant novices to experienced practitioners. The book contains more than 100 examples covering an extensive range of more than 50 subjects, with commentary on the requirements of applications and the identification of typical defences.

eBook

Pre-litigation Drafting: Opinions & Letters of Demand 1e

Searle, G

Pre-litigation Drafting is an essential book on drafting letters of demand and legal opinions for the South African lawyer. The book advises on effective legal writing and clearly explains the fundamentals of pre-action drafting. The drafting is explained with a view to clearly setting out the claim and possibly even avoiding litigation. Should the matter be litigated, correct drafting will stand up to scrutiny in court.

Preparation for Civil Trials: A Practical Guide for Attorneys and Advocates 1e

Van Blerk, P

Preparation for Civil Trials: A Practical Guide for Attorneys and Advocates is a comprehensible general guide to the extensive steps to be taken during the civil trial preparation process. Where they involve matters of procedural and related law, the basic principles are set out and practical advice is given to assist in deciding when and how to use these legal procedures.

To explain abstract concepts, several examples of pleadings in different types of actions are used as illustrations. This book will be of value for junior and aspirant legal practitioners as well as to more experienced practitioners who seek advice on specific topics.

Superior Court Practice, Erasmus 2e

Bertelsmann, E & Van Loggerenberg, DE

Erasmus Superior Court Practice has over the past 50 years (since the release of its predecessor, Nathan, Barnett and Brink Uniform Rules of Court) established itself as the leading and most indispensable authority in its field.

The Superior Courts Act 10 of 2013 and the Constitution Seventeenth Amendment Act brought profound change to the field of civil practice in the Superior Courts. The second edition of this acclaimed work comprises unrivalled clause-by-clause commentary on the new Superior Courts Act as well as the Constitutional Court, Supreme Court of Appeal and Uniform Court Rules, and interprets provisions with reference to judgments in which they have been considered. It also features extensive discussions of important related subjects.
