

Herbstein and Van Winsen
The Civil Practice of the Superior Courts of South Africa
6th Edition

Dear subscriber

Release of Service 1 in the New Year

Subscribers to the above work are advised that Service 1 will be sent to subscribers during January 2023. While later than expected, the service is much larger than we had originally anticipated and took longer to complete. The new material will add greatly to the work and has been completed to very exacting standards as we continue to grow the sixth edition.

Service 1 will incorporate the following new chapters:

Chapter 24 – Exceptions.

Chapter 25 – Applications to strike out.

Chapter 26 – Irregular proceedings.

Chapter 27 – Amendment of pleadings and documents.

Chapter 28 – Extension or abridgement of time, condonation, revival of rule nisi, barring and removal of bar, and summary dismissal of actions or defences.

Chapter 29 – Set-down of trial actions and preparation for trial.

Chapter 30 – Discovery, inspection and production of documents.

Chapter 31 – Pre-trial conference.

Chapter 32 – Special cases, the separate determination of issues and interim damages awards.

The above chapters will reflect the law as at 31 October 2022.

In addition, Service 1 includes revisions to the existing 23 chapters in all respects necessary to update them to 31 October 2022 and will include updates to all tables. A new binder for Volume 2 will be issued together with Service 1.

It is envisaged that Service 2 will comprise another six chapters as well as further updates to the first 32 chapters. Service 2 will be published during 2023, on a date to be announced in due course. We thank you for your patience and support for this new edition of Herbstein and Van Winsen The Civil Practice of the Superior Courts of South Africa.
