**MEMORANDUM ON THE OBJECTS OF THE LOCAL
GOVERNMENT: MUNICIPAL ELECTORAL
AMENDMENT BILL, 2015**

1. OBJECTS OF BILL

The main objects of the Bill are to define an expression and amend a definition, to amend provisions relating to the nomination of candidates in order to provide for the electronic submission of candidate nomination documents and party lists, to provide for different modalities for payment of electoral deposits, to provide for the notification of interested parties where a candidate has been nominated by more than one person or party, to clarify the circumstances in which marked ballot papers may be cancelled at the instance of voters and to clarify the provisions relating to the determination and declaration of the results of by-elections.

2. DISCUSSION

The Bill provides for the objects, as follows:

- 2.1 **Clause 1** seeks to amend section 1 of the Local Government: Municipal Electoral Act, 2000 (Act No. 27 of 2000) (“the Act”), in order to define the expression “authorised representative” and to amend the definition of “identity document”.
- 2.2 **Clause 2** seeks to amend section 14 of the Act in order to provide for an additional modality of submission of party lists required for parties to contest elections by way of party lists and associated documents electronically to the chief electoral officer in addition to the current method of submitting these documents to the office of the Commission’s local representative in the relevant municipality.
- 2.3 **Clause 2** also seeks to provide, in conjunction with the proposed amendment of section 14A of the Act, for the Commission to prescribe additional modalities for the payment of electoral participation deposits in addition to the current method of bank guaranteed cheques.
- 2.4 **Clause 2** further seeks to amend section 14 of the Act by removing the requirement for parties to submit a notice of intention to contest the relevant election.
- 2.5 **Clause 2** further seeks to insert a requirement for the chief electoral officer to notify the relevant parties where a candidate’s name appears on multiple party lists and to afford the parties concerned the opportunity to substitute that candidate and re-order their party lists as a result.
- 2.6 **Clause 3** seeks to amend section 14A of the Act in order to provide for the Commission to prescribe additional modalities for the payment of electoral participation deposits in addition to the current method of bank guaranteed cheques.
- 2.7 **Clause 4** seeks to amend section 17 of the Act in order to provide for an additional modality of submission of nomination documents required for persons to contest ward elections electronically to the chief electoral officer, in addition to the current method of submitting these documents to the office of the Commission’s local representative in the relevant municipality.
- 2.8 **Clause 4** also seeks to provide for the requirement that an independent ward candidate must, together with his or her nomination documents, provide the Commission with a recent photograph of himself or herself in a form prescribed by the Commission.

- 2.9 **Clause 4** further seeks to insert a requirement for the chief electoral officer to notify the relevant parties or persons where a ward candidate has been nominated by more than one party or person and to afford the nominators concerned the opportunity to substitute that candidate as a result.
- 2.10 **Clause 5** seeks to amend section 49 of the Act by deleting the requirement that a voter may return a ballot paper that has not yet been placed in the ballot box to the presiding officer or a voting officer and be issued with a new ballot paper only if that voter accidentally marks a ballot paper in a way that does not indicate for whom the voter wishes to vote on the ballot paper. The deletion of the requirement that the ballot paper must have been marked by accident is intended to allow the Commission to take into account the votes of voters who change their minds about who to vote for after marking the ballot paper but prior to placing it in the ballot box.
- 2.11 **Clause 6** proposes an amendment to section 64 of the Act in order to clarify the uncertainty regarding whether the provisions contained in that section for the determination and declaration of election results apply to by-elections.
- 2.12 **Clause 7** is a consequential amendment of Item 5 of Schedule 3 to the Act, which contains the Election Timetable contemplated in clauses 2 and 4 that seek to amend sections 14 and 17 of the Act. This clause further inserts Item 6A in order to deal with further consequential amendments.

3. INSTITUTIONS CONSULTED

The following institutions were consulted:

- National Party Liaison Committee.
- Department of Co-operative Governance and Traditional Affairs.
- South African Local Government Association.

4. FINANCIAL IMPLICATIONS FOR STATE

The financial implications for the State relate to the enhancement of the candidate nomination system (business application) to provide for functionality in order to enable political parties to capture candidates from the Electoral Commission's website. The estimated cost for this system enhancement is R5 million which is already budgeted for and funded in the 2015/16 financial year. Therefore, no additional funding will be required.

5. PARLIAMENTARY PROCEDURE

- 5.1. The tagging of Bills is dealt with in sections 75 and 76 of the Constitution. Section 75 provides for the procedure to be followed regarding ordinary Bills which are not affecting provinces, whilst section 76 provides for the procedure to be followed regarding ordinary Bills which are affecting provinces.
- 5.2. In *Tongoane and Others v National Minister for Agriculture and Land Affairs and Others* 2010 (8) BCLR 741 (CC), the Constitutional Court confirmed and upheld the test for tagging that was formulated in *Ex parte the President: In re Constitutionality of the Liquor Bill* 2000 (1) BCLR 1 (CC). The Constitutional Court, in the *Tongoane* case in paragraph 56, held that "the heading of section 76, namely, 'Ordinary Bills affecting provinces' provides 'a strong textual indication that section 76(3) must be understood as requiring that any Bill whose provisions in substantial measure fall within a functional area listed in Schedule 4, be dealt with under section 76' (footnote omitted)".

- 5.3. The Constitutional Court, in paragraph 58, further held that “[w]hat matters for the purposes of tagging is not the substance or the true purpose and effect of the Bill, rather, what matters is whether the provisions of the Bill ‘in substantial measure fall within a functional area listed in Schedule 4’ ”. In paragraph 59, the Court found that tagging “focuses on all the provisions of the Bill in order to determine the extent to which they substantially affect functional areas listed in Schedule 4 and not on whether any of its provisions are incidental to its substance”.
- 5.4. The Constitutional Court, in paragraph 70, held that “the test for determining how a Bill is to be tagged must be broader than that for determining legislative competence”.
- 5.5. The provisions of the Bill do not deal with any of the matters listed in Schedules 4 and 5 to the Constitution. The State Law Advisers and the Department of Home Affairs are therefore of the opinion that the Bill should be tagged as a section 75 Bill.
- 5.6. The State Law Advisers are also of the opinion that it is not necessary to refer this Bill to the National House of Traditional Leaders in terms of section 18(1)(a) of the Traditional Leadership and Governance Framework Act, 2003 (Act No. 41 of 2003), since it does not contain provisions pertaining to customary law or customs of traditional communities.
