A Guide to the Protection of Personal Information Act (LegalEase: Essence series)

E de Stadler, P Esselaar

A Guide to the Protection of Personal Information Act provides clear and practical advice on how to interpret POPI and how to apply it in any organisation. The book analyses POPI principles, introduces rules of thumb and checklists explaining the practical application of the Act, and answers frequently asked questions. The POPI Act is included in the book for ease of reference.

Product Liability in South Africa

M Loubser, E Reid

The Consumer Protection Act 68 of 2008 has introduced a detailed and complex new set of rules and procedures to promote and advance the social and economic welfare of consumers in South Africa. One of the most important innovations found in the Act is its imposition of strict liability on producers, importers, distributors and retailers for damage caused by defective goods. *Product Liability in South Africa* explains some of the theoretical issues surrounding strict liability for products, drawing upon sources not only from South Africa, but also from other jurisdictions with similar regimes. The book also provides guidance on the practical problems raised by the application of the Act.
