Hydraulic Fracturing in the Karoo: Critical Legal and Environmental Perspectives

J Glazewski, S Esterhuysen

Hydraulic Fracturing in the Karoo explores a broad ranging set of questions related to proposed hydraulic fracturing or 'fracking' in the Karoo, in a multidisciplinary way. Part 1 of the book provides an international, legal, energy, economic, and revenue overview of the topic. Part 2 has a physio-geographic theme, Part 3 focuses on public health, and sociological and humanities-related aspects, and Part 4 addresses the relevant laws, emphasising their implementation and the role of governance. The book underlines the need for collaboration between the natural and social sciences and the responsibilities of those charged with the implementation and governance of the fracking enterprise if South Africa hopes to effectively manage fracking at all.

Land Law and Governance: African Perspectives on Land Tenure and Title

(Contemporary Legal and Applied Research series)

H Mostert, L Verstappen, J Zevenbergen, L van Schalkwyk

Land Law and Governance: African Perspectives on Land Tenure and Title explores different ways of conceptualising secure land holding in Africa. The book brings together voices from different contexts, offering contrasting perspectives and methodological approaches. *Land Law and Governance: African Perspectives on Land Tenure and Title* also juxtaposes a range of political and academic viewpoints through theoretical discussions and case studies. The book thus opens up the discourse on forms of security of tenure in Africa, in a global context.

Soft cover

272 pages

The Law of Landlord and Tenant

(Juta's Property Law Library series) *S Maass*

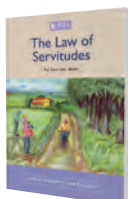

The Law of Landlord and Tenant aims to place legislation, case law, academic analysis and policy considerations in the context of the constitutional framework within which private law rights are acquired, exercised and transferred or lost. It also adds to existing academic commentary some sections of foreign law where the comparison might provide insight to the South African landlord-tenant context.

Soft cover

544 pages

The Law of Servitudes

(Juta's Property Law Library series) *AJ van der Walt*

This book covers relevant case law and literature relating to the current state of the law, seen in the context of its historical development in South Africa, and considers the current position with reference to the effect of the Constitution on the development of private law and land use in South Africa.

Soft cover

739 pages

Pro-poor Legal Practice: Household Rights and Subsidised Housing in South Africa
