# About *CompliNEWS*

South Africa's first CPD accredited weekly online newsletter and news and research portal for the financial services sector, ***CompliNEWS: Financial Services Intelligence Watch***, brings you the latest legislative and regulatory news and commentary wherever you are.

## ***CompliNEWS*** current awareness newsletters

The ***CompliNEWS*** current awareness newsletter, encapsulating the news and views that you need to refer to, is delivered to your email inbox every Friday afternoon. Subscribers also receive an invaluable monthly ***CompliETHICS*** electronic newsletter.

## ***MyCompliNEWS*** online news & research portal

Breaking regulatory and compliance news can be accessed online via ***MyCompliNEWS***, your personal customisable news portal, available at [www.jutacomplinews.co.za](http://www.jutacomplinews.co.za). Simply select your areas of interest to filter your view for tailored breaking news. The online news portal provides you with key points at a glance or allows those who would like to drill deeper easy access to carefully curated commentary, a pre-selected library of continually updated Juta legislation, and a newsletter archive of ***CompliNEWS*** current awareness newsletters from 2015 to date.

## ***CompliNEWS*** is suitable for:

- Compliance professionals in the Financial Services Sector
- Management and key individuals at Financial Service Providers
- Financial advisors and planners
- Banking professionals and management
- Legal advisors in the Financial Services Sector

## About the contributors

Content for the newsletter and news portal is collected and curated by:

- **James George**, Compli-Serve compliance manager and editor
- **Pam Saxby**, an expert parliamentary commentator and contributor to *Juta's Legalbrief Policy Watch*
- **Shamaa Sheik**, an Independent Business and Regulatory Analyst specialising in Governance, Risk and Compliance matters and a former senior law reports editor
- **Lee Rossini**, a well-respected author, former legal advisor and wills specialist, who writes on compliance, business practice and client engagement in the financial planning environment.
