## About this Publication:

The all-new *Commentary on the Companies Act of 2008* draws on the academic expertise and practical experience of 13 authors to bring you the most current and comprehensive commentary on the Companies Act, 2008 available today. Comprising a section-by-section commentary on the Companies Act 71 of 2008, it offers a closely argued analysis of every provision in the context of the Act, of its historical development, and of its interpretation by our courts. The style is clear and eminently readable. Abundant references to South African and comparable foreign case and statute law, as well as legal literature, are contained in the footnotes. Discussions and commentary on these aspects are also included in the body of the text where relevant and instructive.

This integrated online resource contains the full text of the loose-leaf *Commentary on the Companies Act of 2008* as well as the contents of the previous edition, *Blackman: Commentary on the Companies Act of 1973* (the latter is not updated).
