## About this Publication:

First published in 1954, this work has become the standard source of reference for every lawyer practising in the High Courts and every scholar interested in the law of civil procedure.

Now also available online, the fifth edition has been comprehensively revised to incorporate legislation brought into operation and judgments handed down since publication of the previous edition in 1997, most notably those flowing from the 1996 Constitution. This work offers a comprehensive discussion and analysis of civil proceedings in the high courts of South Africa, arranged by topic, from jurisdiction to appeal and review.
