About this Publication:

The *Africa Journal of Comparative Constitutional Law (AJCCL)* is a recent addition to the range of regional journals published by Juta and Company Limited. Hosted by the Kenya School of Law in Nairobi, and supported by a distinguished International Advisory Board, the *AJCCL* provides expert analysis of and commentary on constitutional issues affecting Africa. The articles and reviews (of books and cases) contained in the Journal also draw comparisons between our own constitutional laws and those of other, African and non-African jurisdictions.
