About this Publication:

Rights Limited is an academic and legal text that places moral and political philosophy at the centre of certain legal debates. In this book, Professor Meyerson investigates the limitation clause in the South African Constitution, a clause that leaves open the possibility of limits to the Bill of Rights and certain entrenched freedoms. Through discussions regarding the freedom of expression and religion, this book contributes to defining, expanding and challenging the South African Constitution.

Contents Include:

- Freedom of religion
- Freedom of expression
- Index
- Table of cases

Of Interest and Benefit to:

- Academics and students
- Those involved in human rights issues
- Legal philosophers
