About this Publication:

Juta's Value-Added Tax offers a user-friendly approach to the legislation. It contains the Value-Added Tax Act 89 of 1991, as amended, with a section-by-section commentary and extensive cross-referencing within the text. The commentary deals with the actual words and phrases used in the Act. Other major works on value-added tax in South Africa are referred to where considered necessary, to facilitate further research. Flow charts provide a simple and quick visual reference to the contents of various sections and subsections of the Act.

Key Features
