About this Publication:

Legal Issues for Entrepreneurs is a comprehensive guide to the complex legal requirements involved in the planning, registering and operating of small business enterprises. Set within the context of South African corporate practice and experience, this book is applicable to both emerging and established SMMEs. It offers the reader an all-inclusive breakdown of legal procedures surrounding the startup and operational facets of entrepreneurship, covering such topics as employment equity and BEE, good governance standards and skills development requirements.

Contents Include:

- Section 1: Small business legal perspectives
- Introduction to legal issues for entrepreneurs
 - Levels of law
 - Research and investigation
- Section 2: Business set-up
- Black economic empowerment (BEE)
 - Forms of business
 - Property and premises
 - Registration and licensing
- Section 3: Business start-up
- Operational contracts
 - Conditions of employment
 - Health and safety in the workplace
 - Employment equity and skills development

All entrepreneurship courses at tertiary institutions

- Short courses on entrepreneurship
- General market for anyone interested in legal requirements for the SMME market
- A simplified, user-friendly and practical format
- Tools for rating individual company performance and adherence to corporate law, including BEE scorecards
- Relevant to the South African small business context vis-à-vis fast-growing multinational corporations
