About this Publication:

How does ethics fit into the South African Constitution? Are we moving away from Ubuntu as a philosophy? How can we promote the enhancement of transparency, accountability and a development-oriented public sector?

A Guide to Public Ethics seeks to enhance excellence in public service delivery by making the public sector more relevant to the needs of the South African community. It emphasises human development and management training of public servants in all spheres of government: locally, provincially and nationally.

This book addresses issues such as:

- conflicts of interest
- codes of ethics
- norms and values
- the legal framework
- public finance management
- the regulation of corruption in South Africa

Contents Include:

- **Chapter 1:** Introduction
- **Chapter 2:** Foundations of modern-day ethics
- **Chapter 3:** Democratic basis of public ethics
- **Chapter 4:** Developing democratic principles
- **Chapter 5:** Legal framework
- **Chapter 6:** Constitutional and constitutionally based policy and legislation
- **Chapter 7:** Ubuntu
- **Chapter 8:** Constitutional basis of managing public financial and human resources
- **Chapter 9:** Future perspectives

Of Interest and Benefit to:

It is the first book of its kind aimed at undergraduate and postgraduate students in courses such as Public Management, Public Accountability, Public Policy and Administration, Public Administration and Social Services. It is also aimed at middle and senior management personnel in public management, to prepare them to advance further in the public sector.
