About this Publication:

This book collects the key materials on administrative law in South Africa in a focused and organised manner. It is a comprehensive resource tool that will enable anyone encountering administrative law to access the principles of this field through the primary sources. The reader will find both the leading authorities on particular rules and the best illustrations of their application. Apart from the judgments, the book also contains the relevant statutory provisions such as extracts from the 1993 and 1996 Constitutions and the Promotion of Administrative Justice Act 3 of 2000.

Contents Include:

- Introduction to administrative law
- The sources of administrative law
- Administrative action
- Lawfulness
- Reasonableness
- Procedural fairness
- Reasons
- Control of administrative action

Of Interest and Benefit to:

- Academics
- Students: For LLB undergraduate course in Administrative Law
- Legal practitioners specialising in the field of administrative law
- Senior government officials who have to make administrative decisions

Key Benefit
