## **Of Interest and Benefit to:**

To ease students' learning this Student Book has the following key features and benefits:

- It is written in an-easy-to-understand style to ensure that all students find the material accessible.
- At a glance the student can see which Learning Outcomes (LO) and Subject Outcomes (SO) are covered in each chapter and every unit.
- All headings include the specific SO and LO covered in that section of work.
- Key terms are explained in the text and as special margin features.
- 'Something to do' and 'Something to think about' notes appear wherever relevant.
- A variety of relevant, practical and engaging activities is offered – allowing for work with partners, groups and the rest of the class.
- Clear and lively illustrations, diagrams and photographs are used throughout to enhance understanding.
- Summaries at the end of the chapter recap all the main ideas covered.
- Summative assessment tasks test students' understanding and highlight further development areas for lecturers.
- Checklists are given to help students identify any areas that need attention.
- A comprehensive glossary explains all the most important terms used in the book, and in the subject.
