Dr Jan, Pablos and Euphem K. Moyo

About this Publication:

Understanding Social Security Law forms part of the Juta's Pocket Companions series. It deals with key elements of social security in its various facets, both private and public measures. Social security is defined and different elements such as social insurance, social assistance, pensions and unemployment insurance are set out. Relevant case law is explained for the reader. Selected comparative social security trends elsewhere, including developments in the Southern African Development Community (SADC) are also mentioned. The book aims to present some relevant aspects of this growing area of the law and labour market policy in an accessible way. Key point summaries of law and frequently asked questions (FAQs) are covered to aid understanding.

Contents Include:
