About this Publication:

Taxpayers' Rights in South Africa is the only book available to deal with the interplay between South African constitutional and tax law. It evaluates how South African Revenue Services powers function in relation to taxpayers' constitutional rights and thoroughly and systematically unpacks the rights to property, equality, privacy, access to information, just administrative action and access to courts. Based on personal experience and award-winning research, this work provides guidance on issues that perplex taxpayers, SARS officials and tax practitioners every day.
