About this Publication:

This updatable loose-leaf publication explains key definitions in the relevant laws and provides useful, practical guidelines on land rights disputes for government officials, legal practitioners (including conveyancers), paralegals and NGOs in the land rights sector.

Relevant case law is explained in an accessible, non-legalistic and user-friendly manner. The work sets out the nature and scope of legal protection available to occupiers and labour tenants living in rural and peri-urban areas. It also contains a section on access to the courts, including the Land Claims Court.
