About this Publication:

Understanding Sectoral Determination 9: The Wholesale & Retail Sector forms part of Juta's Pocket Companions series. The only book of its kind, it presents a non-legalistic commentary on the specific minimum conditions of employment applicable to persons employed in South Africa in this sector. The key provisions of the sectoral determination are covered in a systematic manner, with 'Key Point' summaries at the end of each section. Understanding Sectoral Determination 9 also contains the text of the legislation for easy reference. All employers in this sector are required, in terms of s36 of the determination, to have a copy of the determination available at the workplace.
