About this Publication:

This consolidated index provides easy reference to all subjects discussed in cases and articles in the *Industrial Law Journal* (incorporating the Industrial Law Reports) for the period 1980 to 2010. *The Index* provides the key to unlocking SA's undisputed premier labour law reporter.

Key Features

- A comprehensive and optimal subject index of cases reported in the *ILJ*. Grouped keywords and cross-references guide users towards pertinent *ILJ* cases
- A subject index for case notes, articles and book reviews pinpoints users to journal-related material on the issue at hand
- Cumulated case annotations from 1999 onwards chart a case's impact and status over time.
- Annotations of legislation facilitate interpreting Acts and tracing developments.
- Tables of cases, arranged according to forum and alphabetically, facilitate ease of access to *ILJ* material.

Contents Include:

- Contributors of articles and notes
- Titles of articles and notes
- Books reviewed
- Tables of cases
- Specialised subject index for cases
- Specialised subject index for articles and notes
- Case annotations from 1999 to 2010, cumulated

Of Interest and Benefit to:
