## About this Publication:

Written as a companion to *Kleyn & Viljoen's Beginner's Guide for Law Students*, this exciting new work takes students through the range of skills they will require throughout their studies and in practice. The material is presented in the same easy-to-use, fun and accessible manner that was used so successfully in the *Beginner's Guide*. Throughout, the authors use clear, simple language while never compromising on standards and accuracy. This book is available in English and Afrikaans versions.

## **Contents Include:**

- Study skills
- Numeric skills
- Research skills
- Reading skills
- Writing skills
- Interviewing skills
- Oral advocacy skills

## Of Interest and Benefit to:

- Students in introductory law courses
- Law teachers
