About this Publication:

This edition of *Cession for Students* is an update with some new cases added and a more user-friendly format. The book is a useful tool for both students and practitioners in mastering this complicated subject.

Cession for Students is divided into three sections: the substantive law of cession, case study questions and a short introduction to the drafting of cession documents. The first section is for examination purposes, the second to test insight and practical knowledge and the third serves as a practical aid.

Key Benefits

- A comprehensive introduction to the subject
- The subject matter is presented in an easily-readable format
- Questions and answers at the end of each section
- Case studies

Contents Include:

- Substantive law of cession
- Questions and answers
- Case studies
- Examples of drafting cession documents

Of Interest and Benefit to:

- Academics
- Students
