About this Publication:

The 9th edition of *Hockly's Insolvency Law* follows the expanded format of the previous two editions. The basic purpose of the book remains the same: to provide a concise, yet fairly detailed, account of the law of insolvency, winding-up and judicial management. The book aims at a wide readership. For the subject specialist, it provides an update of developments in the law relating to insolvency and winding-up; for students, it is a text for both undergraduate and postgraduate study; and for insolvency practitioners, it may be used as a guide and a quick source of reference.

The appendices contain specimen applications, specimen estate accounts, the Insolvency Act, relevant extracts from the Companies Act and the Close Corporations Act, and the Cross-Border Insolvency Act.

Contents Include:

- Obtaining a sequestration order
- Effects of sequestration
- Collection of the estate assets
- Realisation and distribution of the assets
- Composition and rehabilitation
- Miscellaneous
- Winding-up and rescue of companies and close corporations
- Cross-border insolvency
- Appendices:
