About this Publication:

This annual thematic journal is published with the Faculty of Law of the University of Cape Town. Every year a current legal issue forms the focus. Acta Juridica 2014 comprises a selection of papers that were presented at a conference held in September 2012 at the University of Cape Town. These papers examine the considerable developments that have occurred in the areas of succession and trusts, including aspects of ‘mainstream’ succession and trust law, the relevance of African customary law, religious law in contemporary South Africa and the harmonisation of divergent legal systems. Also available in soft cover format as South African Law of Succession and Trusts - The past meeting the present and thoughts for the future, as part of Acta Juridica 2000 to date online or as part of Juta’s Electronic Law Journals 2000 to date on CD-ROM or online.
