About this Publication:

The Flixies teach us one of their most important secrets: variety. And so we learn what the word biodiversity means, and why it is so important that we understand it. Facto learns that there is an exceptional number of different types of animals and plants on Earth, and that each one that is discovered must be named. Grandma Flox surprises the Flixies with a very special piece of embroidery...

Contents Include:

Flixies addresses two very important challenges in our Education System, namely, reading without comprehension and environmental issues. Seven critical Thinking Skills have been identified through which this series endeavours to teach reading comprehension in the intermediate phase.
