## About this Publication:

Juta's Property Law Library bundle comprises twelve titles from the popular Juta's Property Library series.

The series aims at revisiting and reassessing the whole of South African property law, including the uncodified common law that is mostly embodied in case law and academic writing, in order to establish:

- how each aspect of property law was influenced by apartheid law;
  - its response to the new constitutional dispensation (including land reform), and;
  - whether it can make a contribution towards the transformation of South African law and society.
- For this purpose, Juta's Property Law Library will eventually consist of a number of monographs, each of which is focused on a specific aspect of property law.
