## About this Publication:

Trusted for over 50 years, this accessible, comprehensive and practical commentary has been written with the needs of the practitioner, the trustee and the academic jurist in mind. The sixth edition of *Honoré's South African Law of Trusts* meticulously discusses the life of a trust from its formation to its dissolution and the problems that are typically encountered in the process. Extensively updated with reference to the latest legislation, case law, and in terms of South Africa's growing constitutional development, the book also includes a new chapter on collective investment schemes.

### Key Benefits
