About this Publication:

The Local Government: Municipal Systems Act 32 of 2000 makes provision for the core principles, mechanisms and processes that give meaning to developmental local government and empower municipalities to move progressively towards the social and economic upliftment of communities and the provision of basic services affordable to all; for active engagement of communities in the affairs of municipalities; and for planning, service delivery and performance management.

The first edition of *Local Government: Municipal Systems Act 32 of 2000 & Regulations*, part of the *Juta's Legislation eBook* series, reflects the law as at 5 June 2018.
