For over thirty years the *ILJ* has remained the premier South African labour law reporter. This seminal monthly journal covers judgments and awards handed down by the Labour Court, Labour Appeals Court, the CCMA, Bargaining Councils and private arbitration bodies. Also included are labour-related judgments from the Constitutional Court, the Supreme Court of Appeal, the Land Claims Court and the Pension Funds Adjudicator. The *ILJ* is the only labour series to publish relevant judgments of neighbouring states. Every fourth issue includes insightful and thought-provoking articles and case notes, written by local and international experts.

Also available as a full set from 1980 to date, including a FREE 1980 to 2006 Cumulative Index.
