About this Publication:

Juta's Environmental Library is available on CD-ROM and online. Updated on a quarterly basis, this Library is a general collection rather than a specialist work. It covers a wide range of South African environmental legislation and relevant cases and contains an overview of what may be considered essential environmental measures. The content includes both national and provincial legislation and various White Papers and International Conventions. Also included are the DWAF Minimum Requirements for handling and disposal of waste. Bills are also reproduced to alert subscribers to potential legislative changes.

Key Benefits:

- Broad collection of legislation
- Unrivalled accuracy and reliability
- Fully searchable

Contents Include:

- Environmental Acts
- Regulations and related notices
- International Conventions
- General policy documents
- Guideline documents
