Marketing Communication 2e (Print)

About this Publication:

The world of integrated marketing communication (IMC) has changed dramatically over the last 10 years, due in large part to the expansion and advances in digital media technology. These changes have affected clients, consumers and advertisers alike. *Marketing Communication: An integrated approach* 2nd edition deals with the past, present and future of IMC and the impact this has had on the pace and demands of effective persuasive communication in the current digital age. It is also the first IMC textbook to cover in detail alternative communication strategies and how their unconventional and disruptive tactics have been integrated into our daily lives. Self-study questions per chapter have also been included in this edition.
