About this Publication:

Applied Law for Police Officials fifth edition equips police officials with the necessary knowledge and understanding to uphold the law and protect South African citizens to fulfil their duties in accordance with the Constitution. In order to investigate crime effectively and to gather evidence that will enable the prosecuting authorities to secure convictions after following due process of law, police officials must be familiar with the fundamental elements of criminal law, criminal procedure and the law of evidence. In *Applied Law for Police Officials* these elements are explained and discussed in the context of a Constitution that endorses the importance of human rights.

This fifth edition of the textbook has been updated with the latest case law and is also enhanced to reflect the most recent attempts by Parliament to curb criminal behaviour.

This interactive multimedia ebook is the first of its kind in South Africa. It offers, in one publication, text, video explanations, interactive questions within the text, infographics, process maps, other learning aids and learner-assessment tools with pop-up answers, as well as online lecturer support material.
