About this Publication:

Alternative Dispute Resolution in South Africa: Negotiation, mediation, arbitration and ombudsmen addresses the increasing use of alternative dispute resolution mechanisms in resolving disputes rather than resorting to court-based litigation. The focus of the book is on the resolution of commercial and labour disputes.

Alternative Dispute Resolution in South Africa covers negotiation, mediation, arbitration, ombudsmen and administrative dispute resolution. The skills, techniques and relevant statutory framework for each field of alternative dispute resolution are discussed, and local and international examples of the application of the relevant principles are provided.
