About this Publication:

The full text of the Constitution, with an entrenched Bill of Rights at its heart, is reproduced in this book. An introduction places the Act in context. Some pertinent facts about the country and its population are supplied, as well as contact details for those wishing to visit Parliament or the Constitutional Court. The Constitution informs every area of our law and of its application and interpretation. It is imperative for every legal practitioner and everyone in governmental and non-governmental organisations to take cognisance of its principles.

The 14 edition, 5th revised, reflects the law as at 22 April 2022.

It is also available as part of the 11-volume Comprehensive Local Government Library (ISBN: COMP LOCAL GOV LIBRARY).
